ABOUT US

With over 25 years in business, Turf Trade provides products and services for the turf industry. We service the Delaware, Maryland (Eastern Shore & Baltimore vicinity), New Jersey, Eastern Pennsylvania, New York & Southern Connecticut areas.

We carry a variety of products (fertilizers, wetting agents, fungicides, herbicides, insecticides, seeds & soils) and equipment (sprayers, spreaders, irrigation, etc.) to cover all of your turf needs.

If you have a custom need or unique problem, contact any of our knowledgable sales associates. They will work with you to determine an appropriate solution.

Our team members have years of expertise in golf, lawn care, sports field and fine turf markets. They're always ready to provide insight and solutions for your turf needs.
