AVAILABLE NOW!

## HEAVY DUTY TROLLEYS

Part #: FZAABC

Take the weight off your back with a telescoping trolley attachment. Compatible with the 4-gallon Typhoon and Cyclone Series sprayers, this trolley features durable wheels for rugged terrain movement.

Each trolley is designed to fit snugly on the back of your lithium-ion backpack sprayer; no tools required!

**No Tool Assembly**  
*screws right onto  
your sprayer*

**Telescoping Handle**  
*adjust to your  
perfect height*

**Painless Portability**  
*take the weight  
off your back*

**Ergonomic Design**  
*handle fits nicely  
in your hand*

Part #: FZAAAZ

The trolley is also available as a bundle with a 20-foot extension hose for even more mobility and range.
