

Standard Organic Fertilizer providing outstanding color and longevity.

fortify the soil...fortify the plant...stronger turf

Product Description/Benefits

Organic Precise fertilizers are built with organic nutrients to provide healthier turf and more active soils to help defend against stress, provide more active soils and aid turf in being more drought tolerant.

- **healthier turf**
- more drought tolerant
- longer residual than traditional fertilizers
- deep green **long lasting green turf**
- deeper roots
- some products are enhanced with bio-stimulants
- **adds energy to the soils to aid in nutrient uptake**
- low Nitrogen for summer applications
- enhances over all quality of turf
- **includes Biochar**
- green biosolids
- Carboxylic acid
- includes bio-stimulants
- includes Humic Acid
- 70% of biosolids is derived from Green Waste

Other Organic Precise Products:

- 16-2-3 Emerald Green
- 5-2-2 Soil Synergy
- 10-2-2 Soil Synergy Plus
- 14-0-2 Eco Blend
- 22-0-4 Power N

Rate per acre

220-310 lbs

Rate per 1,000 sqft

5.00 - 7.00 lbs

Guaranteed Analysis

Nitrogen (N).....	7.0%
Phosphorous (P).....	2.0%

fortify the soil...fortify the plant...stronger turf

ORGANIC
PRECISE™

TURF APOTHECARY

Standard Organic Fertilizer providing outstanding color and longevity.

Product Description/Benefits

Organic Precise fertilizers are built with organic nutrients to provide healthier turf and more active soils to help defend against stress, provide more active soils and aid turf in being more drought tolerant.

- **healthier turf**
- more drought tolerant
- longer residual than traditional fertilizers
- deep green long lasting green turf
- **deeper** & stronger roots
- adds energy to the soils to aid in nutrient **uptake**
- low Nitrogen for summer applications
- enhances over all quality of turf
- carboxylic acid
- Green Bio-Solids
- Green Ammonium Sulfate
- includes bio-stimulants
- includes Humic Acid
- 70% of biosolids is derived from Green Waste

****Green Ammonium Sulfate (not actual color)**

Other Organic Precise Products:

- 16-2-3 Emerald Green
- 7-2-7 Turf Recovery Plus
- 10-2-2 Soil Synergy Plus
- 14-0-2 Eco Blend
- 22-0-4 Power N
- **.15% Dimension**
- **.42% Prodiamine**
- **Lock up**
- **0.069% Bifenthrin**
- **0.067% Acelepryn**

Rate per acre

220-300 lbs

Rate per 1,000 sqft

5.00 - 7.50 lbs

Guaranteed Analysis

GCG & LCG

Proprietary formulation with 3 way
Surfactant system + Penetrator + Bio

ORGANIC PRECISE™

Product Description/Benefits

Aqua Fus-Syn is a granular wetting agent product that is enhanced with Turf Apothecary and Bio-Synergy. It will aid in the reduction of LDS and has easy usage for almost every situation.

- Hydroxy increases Nutrient Retention and Nitrogen Uptake
- Hydroxy WaterGuard technology is designed to improve infiltration, prevent and overcome water repellency, increase soil moisture, improve water distribution, increase water use efficiency resulting in better turf quality.
- 200lbs/Acre will provide 28oz of Hydroxy WaterGuard per Acre and provide up to 6 weeks of efficacy.
- **Turf Apothecary** improves root structure, improves soil structure, improves nutrient efficiency and reduces stress
- **Bio-Synergy** improves soil structure, improves nutrient availability, improves turf turgidity and reduces nutrient usage.
- Multi-Directional Wetting Agent
- 25% Calcium
- Humic/Fulvic/Carboxylic Acid
- Increased Nitrogen Efficiency

	Rate per acre	Rate per 1,000 sqft
GCG	176 lbs	4.0 lbs
LCG	200 LBS	4.0 lbs

Ingredients: 1.00% Blend of nonionic alkyl glucamides and alkoxyated polyols
0.15%**Turf Apothecary**
1.5% Bio-Synergy

- EC+ with Humoxy enhanced pelleted calcium carbonate is an efficient, fast acting and effective method of supplying available calcium to the plant. Also used to increase pH of acidic soils.
- Humoxy supplies 4 lbs of Activated Humic/Fulvic/Carboxylic Acid per Acre.
- **Hydroxy WaterGuard Technology** utilizes a Multi-directional wetting agent to ensure even water distribution for up to 6 weeks.
- **Turf Apothecary** supplies **1.5 oz./Acre of Turf Apothecary**
- **Bio-Synergy** provides **1/2 gl/Acre of Bio-Synergy**

Available pkg sizes; 50 lb bags

TURF APOTHECARY

ORGANIC
PRECISE™

Enhanced Calcium with Beneficial Microbes, Humic, Fulvic and Carboxylic Acid

Product Description/Benefits

EC Plus is a granular calcium product that is enhanced with Turf Apothecary and Bio-Synergy. It will aid in adjusting pH, calcium levels and aid in stress reduction and build roots.

- Humic Acid aids in Nutrient Retention and Nitrogen Uptake
- Fulvic Acids aids in uptake of nutrients
- Carboxylic Acid is the facilitator of how nutrients function
- **Turf Apothecary** improves root structure, improves soil structure, improves nutrient efficiency and reduces stress
- **Bio-Synergy** improves soil structure, improves nutrient availability, improves turf turgidity and reduces nutrient usage.
- 36% Calcium
- Increased Nitrogen Efficiency

Rate per acre

220-440 lbs

Rate per 1,000 sqft

5-10 lbs

Ingredients: 0.15%**Turf Apothecary**
1.5% Bio-Synergy

- EC+ with Humoxy enhanced pelleted calcium carbonate is an efficient, fast acting and effective method of supplying available calcium to the plant. Also used to increase pH of acidic soils.
- Humoxy supplies 4 lbs of Activated Humic/Fulvic/Carboxylic Acid per Acre.
- **Turf Apothecary** supplies 1.5 oz./Acre of **Turf Apothecary**
- **Bio-Synergy** provides 1/2 gl/Acre of Bio-Synergy

Available pkg sizes; 50 lb bags
