

# Purity Phosphite

Powered by EBS

Proprietary formulation with Amino acids and powered by EBS.

## Product Description/Benefits

Purity Phosphite 0-0-26 provides many benefits to your lawn. With a make-up of 0-0-26, you receive a product for K deficiencies in your soil when applying this product. PhosPHATE, an essential nutrient for plant metabolism, this product also provides phosPHITE, which is carried by the potassium. Where phosphate helps metabolism, phosphite has anti-fungal properties and helps with stress resistance; with this combination you get the best of both worlds and a product that really helps plant health as a whole. 3.47# phosphorous acid per gallon.

- low salt index
- safe at low volume sprays
- great summer alternative for plant health
- tank mix friendly
- economical
- improves turf quality
- improves overall health of turf
